CAMPINGS Chadotep

Une histoire de famille

A family history since 1974

When Allain Chadeau opened his first campsite in the early 70's, he never imagined how Chadotep would become part of so many families' lives. Our company is family-owned and operated, and we strive to nurture quality family-orientated campsites with the personal touch.

The true spirit of camping

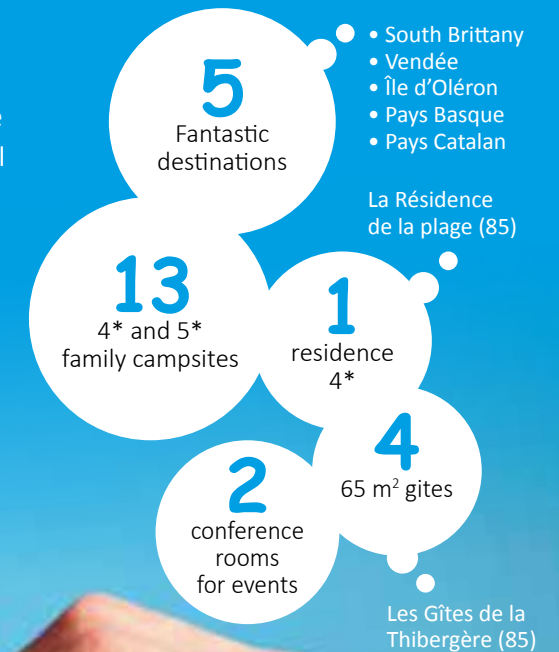

Whichever Chadotep campsite you choose, you can be assured of an extra special welcome which makes you feel at home. At Chadotep, besides being a family business, we aim to make your holiday experience truly wonderful.

By experiencing the true spirit of camping in our Chadotep campsites, you'll remember why you love family holidays so much!

Discoveries and Experiences

Every family has its secrets. At Chadotep, we like to share them with our guests. It is with great pride in our locality that we share with you our personal favourites, e.g. a local peculiarity or an authentic, value-for-money restaurant you won't find in the guidebooks. We'd love to know what you think of these finds.

Welcome to *South Brittany*

From the Gulf of Morbihan to the Regional Park of Brière, from the ramparts of Guérande to the Chateau of the Dukes of Brittany, in South Brittany you are sure to experience an amazing holiday ! Brimming with history, bounded by the sea, South Brittany is exploding with culture that is very much rooted in the 21st century. Treat yourself to a trip to Belle-île-en-Mer (the aptly named Beautiful Island on the Sea), or to a day in La Baule on the largest beach in Europe, or a paragliding tandem at the 'Mine d'Or' in Penestin, or even the «Voyage à Nantes» for a visit to Brittany's former capital... There's something for everyone !

Did you know ?

The Gulf of Morbihan («little sea» in Breton) has about sixty islands of which only 24 are inhabited all year round.

Welcome to Île d'Oléron

Nicknamed «the Luminous One» by Pierre Loti because of its high level of sunshine, the island of Oleron has everything to seduce you. Once this prerequisite has been met, the island is nothing but a delight. A few artists have found refuge, and rightly so, in the very colourful oyster huts near the Château d'Oléron.

Connected by bridge to the Charente coast, the island of Oleron is spread out with sandy beaches, marshes, and villages all waiting to be explored. From the top of Chassiron lighthouse, take in the exceptional view of the beacon d'Antioch, La Rochelle, ile de Ré, the Boyard fort and, of course, the endless ocean.

Welcome to *the Basque Country*

Did you know?

The Basque Country has 7 historic provinces, 3 of which are situated on the French side: Labourd, Basse-Navarre, and La Soule.

Between ocean and mountain, between France and Spain, the Basque Country seems not to want to choose. So, don't choose: treat yourself to the Basque Country's bounty! Visit the local villages all of which have a fronton where you can try your hand at one of the many varieties of the court sport, Basque Pelota. Which village do you prefer? Saarland, Ascain, Aïnoh? You can enjoy water sports on the coast, but first, enjoy a slice of Basque cake while admiring the sunset in Saint-Jean-de-Luz on the Jacques-Thibaud pedestrian walkway. For a special treat, cross the border into Spain, you'll still be in the Basque Country!

Welcome to the Catalan country

Land of culture and traditions, the Catalan Country abounds in wealth and heritage, combining softness and sunshine by the sea with the cool, more rugged character of the Pyrenees.

Let yourself be enchanted by the preserved natural setting, suitable for family outings below the peak of Canigou, the sacred mountain of the Catalans. In the morning, wander far from the crowds through the narrow streets of the mountain villages and in the afternoon enjoy the coast, the ever-blue Mediterranean Sea. From fine sandy beaches to rocky creeks, walk the shoreline trail, and cross the Spanish border without even realising it....

Did you know?

The sardane (Sardana in Catalan) is the name of a traditional Catalan dance and the music that accompanies it.

The booking is effective when you receive confirmation from us. If the balance is not paid according to the conditions as set out below, the booking will be deemed as cancelled and the deposit retained.

• For rented holiday accommodation: the balance must be paid 30 days prior to arrival. *

*NB: no reminder will be sent by CHADOTEL. Once we have received the balance, you will be sent a letter of confirmation. If the balance is not paid within the required time, the booking will automatically be cancelled and any deposit money will be retained by CHADOTEL.

• For bookings of rented holiday accommodation made within 30 days of your arrival, the full price of the stay must be paid at the time of booking.

• For bookings made via our website (www.chadotel.com) the amount of the deposit will be debited from your bank card. The outstanding balance for mobile homes and chalets will also be debited (20 days prior to arrival).

• For all tent/caravan/campervan pitches the balance is payable upon arrival. If you wish to make any specific requests in relation to your stay (choice of pitch, group bookings...), you should do so at the time of booking. Although we will do everything in our power to comply with these requests, we cannot guarantee same.

Persons under the age of 18 may stay in the holiday park only if they have written authorization from their parents and if they are accompanied by an adult who is in loco parentis.

3) Payment:

The booking form must be signed. Payment can be made as follows: cheque from a French bank, international bankers draft/international money order, 'chèques-vacances' (holiday cheques available to French residents only) or bank card (16-digit number, expiry date and 3-digit security code required) for bookings by fax, phone or online.

NB The quickest way to book is to pay by bank card over the phone.

4) Prices:

The prices indicated are valid for the current season and are in euros, including VAT.

Our prices include tent/caravan/campervan pitch rental and holiday accommodation rental, water, gas and electricity consumption, access to the campsite's facilities and a parking space.

They do not include the TOURIST TAX, the booking fee, the additional fees (eg for pets), cleaning fees, certain activities, the cost of certain activities, access to tennis and mini golf, bedding/linen hire, the hire of various items and the security deposit of 250€ (this deposit is refundable upon departure providing the holiday accommodation is clean and nothing has been damaged – see below).

Rates according to several criteria may change. It is possible that there may be a difference in the rate between two or more bookings made for the same period.

Chadotel cannot, under any circumstances, be held responsible for this difference and the customer who has paid the highest price will not be issued a refund.

Prices are not contractual and can be modified without any prior notice. The contractual price is the one set at the time of booking.

However, in the event of a pricing error (eg. an obviously derisory price compared to the real value of the stay due to technical problems or other) the validated reservation may be cancelled by CHADOTEL. This measure remains exceptional.

5) Tourist Tax:

This local tax (per person per day) is compulsory and must be paid at the same time as the balance for the duration of the stay. Do not hesitate to ask us for more information about this tax. It's a prebilled and non-refundable.

6) Security Deposit:

For rented holiday accommodation: a security deposit of €250 will be requested on arrival as a guarantee that the accommodation will be left in GOOD CONDITION. This deposit will be refundable upon departure, after the multipoint checklist has been verified and only if the accommodation has been cleaned and nothing is missing/damaged.

Depending on the campsite, the deposit also includes the loan of a magnetic key which opens the barriers at the entrance to the holiday park. For tent/caravan/campervan pitches: a security deposit of €20 is required for use of the magnetic key.

The security deposit is payable by credit card.

7) Pets:

Category 1 (attack) dogs, Category 2 (guard) dogs and exotic pets are not allowed in the holiday park.

For an additional daily fee, any other pets are allowed into all our holiday parks on condition that they have been declared at the time of booking, that they do not disturb the tranquility of the park or cause a risk to customer safety, and that they respect basic hygiene and cause no damage to facilities (one pet, under 20kg per pitch).

The animal must be kept on a leash at all times in the campsite grounds and must not be left alone in your absence. The pet's passport must be fully up to date and presented at reception upon arrival. No pets are allowed into any of the communal buildings, the play areas and the swimming pool area. Animals must be taken outside of the holiday park for all their toilet needs.

8) Duration of the stay:

For rented holiday accommodation during high season the minimum duration of the stay is one week (7 days), Saturday to Saturday.

During high season customers should arrive between 3pm and 8 pm (if you are going to be late please inform the holiday park) and depart between 7am and 10am. It is possible to book for one night or for a weekend, but only in low season.

Please note that for health and insurance purposes it is forbidden to exceed the maximum capacity of your rented accommodation. Any extra guest exceeding the maximum capacity will be denied access to the accommodation. Customers for tent/caravan/campervan pitches may arrive any day of the week between 12pm and 8pm, and should depart before 12pm.

9) Alteration or Cancellation:

All bookings are definite once the balance has been paid. They cannot be transferred or sublet.

a) Alterations

Any alteration to the booking should be indicated beforehand in writing (letter, fax and email). This alteration will occur only with the agreement of the Holiday Park.

b) Holiday Cancellation and Curtailment « Campeze Couvert » We advise all customers to take out our Holiday Cancellation and Curtailment Insurance Policy.

Without cancellation insurance, the cancellation will not result in any refund.
